Mr. Paul Volk
Murrays Village
St. Vincent

Dear Paul,

I wish to express my sincere thanks and appreciation to you for the tremendous blessing, which my family and I have received from God through your Ministry. Last weekend's seminar at Belmont, St. Vincent was like a great spiritual revival in our lives. My 14-year old daughter has made her commitment to be a vegetarian and to walk in all the ways of the Lord.

Your stories and experiences from different parts of the world are indeed quite motivating and challenging. Your understanding and expositions of the fundamental principles of good health and healthy living are winsome and convincing.

I am sure that the Lord has called and equipped you for a special mission on this earth. I pray that you would continue to do an excellent work in the vineyard of the Lord.

Please convey our regards to congregations around the world as you witness from place to place.

On behalf of the Ministry of Health of St. Vincent and the Grenadines, I say "thank you" once again.

If the opportunity presents itself in the will of Him who is El Shaddi, please come to St. Vincent and the Grenadines, West Indies. ^{again}

May the peace of Elohim rest upon you always.

Yours in faith,

St. Clair Thomas, BSc, MBBS, FRCS
